

MCR Safety's headgear and face shields offer superior protection from liquid splashes and flying debris that would otherwise be damaging to the face. An assortment of brackets, face shield sizes, and materials make it a good bet that you can find an option suitable for you. The 103 headgear is lightweight and adjustable. Ratcheting action allows an attached face shield to be raised and lowered. (Headgear only, face shields sold separately). This product meets the ANSI/ISEA Z87.1-2025 standard.
