

Engineered for reliable protection and comfort, the 92778NF glove features an seamless blue 18-gauge HyperMax® HPPE shell that offers excellent cut and abrasion resistance without compromising dexterity. The black nitrile foam-coated palm and fingertips deliver superior grip and tactile control, even in oily or wet conditions. A reinforced black nitrile thumb crotch enhances durability in high-wear areas, making this glove ideal for tough, hands-on tasks. Lightweight, breathable, and easy to wear, the seamless shell keeps hands cool and comfortable through long shifts in demanding environments. If you are looking for the best cut resistant glove options, look no further than MCR Safety!
